

Rise up and Rock out with...

# GR!ASP

## GIRLS ROCK! DC AFTER SCHOOL PROGRAM

An 8-week after-school music education program for DC students in grades 3-12, hosted at YOUR school and customized to YOUR needs!

### Here's what students can expect at GR!ASP:

- Receive **tailored, small-group instruction** from local DC musicians and teaching artists.
- Learn about music and songwriting, and develop **literacy and critical thinking** through the creative process.
- Apply **communication and decision-making skills** by working collaboratively to write original songs.
- Learn from **DC musicians and creatives** about how they do what they love and connect art to activism.
- **Perform music** for teachers, family and friends!

GR!ASP is **customizable**! You provide the space, we provide the teachers and tools, your students rock out!

GR!ASP is co-funded by GR!DC and the host school, offering **free participation for students**, with flexible costs for the school. GR!DC supports exploring creative funding options like grants, multi-school enrollment, and sponsorships.

GIRLS ROCK! DC AFTER  
SCHOOL PROGRAM

## PROGRAM OPTIONS FOR 8-WEEK SESSIONS

### THE BAND EXPERIENCE

GR!ASPers unlock their inner rockstar and learn one of five instruments (electric guitar, electric bass, drums, vocals, or keyboard), form a band with their fellow students, write an original song together, and perform it at a concert for their teachers, families, and friends!

8 twice-weekly 60-minute lessons  
minimum **25** students  
approximately **\$450.96** per student

### ELECTRONIC MUSIC & BEATMAKING

GR!ASPers learn the fundamentals of electronic music and beatmaking utilizing the online platform *Bandlab*. Students flex their critical thinking and creative writing skills, using loops, samples, and live recordings to create original songs.

8 weekly 60-minute lessons  
minimum **15** students  
approximately **\$201.17** per student

### SONGWRITING EXPLORATION SERIES

In this drop-in friendly class, GR!ASPers learn the fundamentals of music and songwriting. Each class explores a different topic, and students transform that idea into an new original, collaboratively-written song each week.

8 weekly 60-minute lessons  
minimum **15** students  
approximately **\$201.17** per student

Space needs vary based on the program selected
